Response to FEC letter 3/15/06 re: Year End Report (12/1/05 - 12/31/05)

We received a contribution from the "NY Republican County Committee", 122 East 83rd Street, NY, NY 10028. The was a contribution for Mr. James Ortenzio to attend a fundraising reception hosted by the Mass. Republican Party. We don't know why it was not reported on the NY Republican County Committee FEC reports. We believe that the NY Republican County Committee FEC ID# is C00176834.

We have amended our report to reflect the contribution as a transfer from affiliate- Line 12, instead of reported on line 11 as in our original FEC report.
